The tenderers should quote their best billing prices which should be firm for a period of one month from the due date of the tender. The rate should be quoted both in figures and words. The firms should definitely indicate the name of manufacturers and country of origin.

No enhancement of rates for whatever causes will be allowed when once the quotation is accepted and order is placed. Withdrawal from the quotation after it is accepted or failure to make the supply within the scheduled period will entail cancellation of the order and forfeiture of the earnest money, if any. The successful tenderer should, if so required by us, deposit a sum equal to 5 per cent of the value of the order in accordance with the terms and period of delivery specified in the order.

The Chief Electrical Engineer does not bind himself to accept the lowest or any tender, but reserves to himself the right to accept or reject any tender at his discretion.

Supply on our order will be subject to the general conditions of contract prevailing in the department for local purchases.

The tenders should be superscribed as "Tender for the supply of Files to be opened on 26th September 1952."

K. VEDANTHIENGAR,
For *Chief Electrical Engineer.*
